Bakery

Freshly baked bread and pastries always taste so much better... why? Because they're baked fresh in King's bakery! That's why they taste so much better... and they're baked by bakers who truly love their work! That's why they taste so much better... and you want to eat them! That's why they taste so much better... and you want to eat them! That's why they taste so much better... and you want to eat them
